The Newsletter of

AXA Research Lab on Gender Equality

Issue 4, April 2022

WELCOME

The AXA Research Lab on Gender Equality welcomes you to the fourth issue of our monthly newsletter. At the Lab we aim to promote gender equality in the economic and social spheres through rigorous scientific methodologies. We carry out theoretical and empirical, high-quality research with a strong policy impact.

In this issue of our newsletter, you will find highlights of the research we have produced during the past month. Our research includes all areas of gender economics, gender policies, and gender diversity management and covers topics in education, family, culture, politics, and women's empowerment. You will also find updates about events and our team.

We are happy to connect with you, for which we have left our contact information at the end of this issue.
