AXA Research Lab on Gender Equality

Issue 6, June 2022

## WELCOME

---

The AXA Research Lab on Gender Equality welcomes you to the sixth issue of our monthly newsletter. We focus on promoting gender equality in the economic and social spheres through rigorous scientific methodologies. We carry out research with a strong policy impact.

In this issue you will find highlights of the research we have produced during the past month. Our research covers economics, gender policies and gender diversity management, and covers topics in education, financial inclusion and empowerment. You will also find updates about events and our team.

We are happy to connect with you, for which we have left our contact information at the end of the newsletter.
